

Good morning!

I am a Research Coordinator from the Rocky Mountain Regional VA. I am working with fellow VA researchers to establish a virtual board of rural Colorado Veterans and/or caregivers that can provide feedback to VA researchers on new or existing research protocols with the intent of improving care and resources for rural Veterans.

I found your information on the Colorado.gov VSO page and was hoping that you might be able to point me to local Veterans in your area that might be interested or to contacts for local, active Veteran organizations. Attached is our recruitment flyer, an advertisement that can be put on Facebook, and a member description. Feel free to pass any of these on to those individuals or groups that you feel might be interested. Additionally, if you have any feedback on how we could best reach interested rural Veterans in your area, please let me know.

If you have any questions, please feel free to reach out. I am most available by email, Amber.Lane2@va.gov, but I am happy to schedule a time to speak by phone if that is preferred. If you would like to verify the validity of this board you may reach out to Kelty.Fehling@va.gov.

Sincerely,

Amber Lane
