Why are you interested in serving on the Rural Colorado Veteran Engagement Group?

What unique skills and experiences would you bring to the Rural Colorado Veteran Engagement Group?

What do you believe the purpose of health research is? What about health research at the VA?

Participating in the Rural Colorado Veteran Engagement Group requires a one-year commitment. Members of the group are expected to participate in virtual meetings held every other month, review materials shared in between meetings, and engage in productive conversation that involves sharing and considering diverse perspectives and opinions. This is approximately 4-6 hours every other month. Is there anything that might make it difficult to make this commitment?

How may we contact you?
