

# 8th Annual Conference on the Science of Dissemination and Implementation in Health

**Co-hosted by National Institutes of Health and AcademyHealth**

December 14-15, 2015 | Marriott Marquis, Washington, DC

A forum for discussing the science of dissemination and implementation, the 8th Annual Conference aims to grow the research base by bridging the gap between evidence, practice, and policy in health and medicine.

## Optimizing Personal and Population Health

The theme reflects the opportunities and challenges of integrating evidence-based practice and service delivery to improve both healthcare delivery and population health in the US and globally. This year's agenda will feature keynote, plenary and breakout sessions complemented by peer-reviewed abstracts.

## Plenary Sessions

- Keynote Address: Implementation Science Toward Community Health  
America Bracho, Executive Director, Latino Health Access
- Crossing Boundaries, Changing Roles: Dissemination and Implementation Opportunities to Achieve Population Health
- Global D&I Research: Building a Worldwide Evidence Base
- Getting Personal: Implementing Precision Medicine
