

Data Request Form

1. Complete the following data request form. If questions arise as you are completing your request form, please contact Dr. Brian Marx at Brian.Marx@va.gov.
2. Allow approximately one to two months for the request to be reviewed.
3. If the request is approved, an approval notification with follow-up instructions will be sent via email to the Principal Investigator or Project Director appearing on the request form.

Requestor Name*:

Email Address*:

Requestor Organization/Affiliation*:

Date when data are desired* (please see data request information for request timelines):

Type of Request:

Internal (Inside VA) Data Request

External (Outside VA) Data Request

Please list Common Data Element items in text box and check box next to other measures to request full measure/scale. (Note: justification for each requested scale is required below.)

Common Data Elements (CDE) Items

List requested items:

Other Measurements:

Basic Demographics

AUDIT

ACSS

Basic Study information

INQ

ACSS - fearlessness
subscale only

BSSI

PCL-C (Civilian)

BDI-II

BHS

PCL-M (Military)

Brief Explanation*

Please provide a brief explanation of how the data will be used. Will they be used for a presentation, publication, grant proposal or other? What are the hypotheses to be tested with these data (be concise but thorough)? Make sure to explain the purpose of each requested measure from above. For the CDE, please indicate which items you are requesting (see Access to Data Information Document – Available Data section for CDE item numbers). Please limit your description to 1,000 words.
