Recent News from OCC and the VC CORE

OCC – VC CORE FY22 RFA
OCC and the VC CORE are excited to announce our FY22 Request For Applications. This year’s RFA has been targeted to two very specific, high priority rapid quality improvement, evaluation, and partnership development areas. As with last year, projects must be designated as non-research. Current project needs include:

- Understanding the acceptability (among providers and patients) of the new VA Video Connect (VVC) feature to assess vital signs via smartphone or other internet capable devices and to detect clinically meaningful events compared to standard devices. (Partner: Leonie Heyworth)
- Value of patient generated health data (PGHD)* from patient and provider perspectives (Partner: John Murphy)

Full details and requirements are in the RFA PDF and Funding Opportunities Page on the VC CORE Sharepoint. OCC will also host two Office Hours sessions to respond to questions from the field in early-mid November, exact dates TBD.

VC CORE Network Call
The Virtual Care CORE will be hosting a network-wide meeting on December 6th from 3:00 PM -4:00 PM EST. This call will be open to all members and will include updates on current and planned activities for the CORE, but we would like to dedicate as much time as possible to agenda items our members recommend and/or a Town Hall style open forum for feedback and new ideas! Join using any of the methods below:

| **The OCC FY22 RFA is Here!**  
See description above and full details in link to the right. | Proposals should be submitted to the VC CORE Sharepoint. Please see the Funding Opportunities page and link to submit your proposal. Please contact VHAVirtualCareCORE@va.gov with questions. | 12/13/2021     |
| **Apply to use the Women’s Health PBRN for Relevant Grants!**  
The VA Women's Health Practice Based Research Network (PBRN) PBRN is a partnership of 73 VA facilities nationally, representing over half of women Veterans who use VA. If you are planning to submit a proposal to VA HSR&D in December 2021, consider applying to use the PBRN if multi-site study is needed, either to address the research question, to achieve representativeness, or to recruit sufficient numbers of women; the study approach requires direct contact with subjects; and if the study examines women's health issues or compares women to men. | Send an email to the PBRN Coordinating Center with an explanation of the type of grant you are submitting (e.g., VA HSR&D IIR), deadline for your grant submission, and a few sentences describing your study to susan.frayne@va.gov & diane.carney@va.gov. | At least two months prior to your planned grant submission deadline. |
