

2b. Level of Engagement

None                      A little                      A moderate amount                      A great deal                      I don't know

                                                                                      

2c. How were you engaged?

2d. What impact did you have?

3a. Content of Engagement

Research topic	Research questions	Proposal development	Research team members	Study design	Recruitment or retention of study participants	Data collection procedures	Results	Dissemination/Sharing of results
<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

3b. Level of Engagement

None                      A little                      A moderate amount                      A great deal                      I don't know

                                                                                      

3c. How were you engaged?

3d. What impact did you have?

4. Please rate the following, thinking about your experiences with today's presentation:

4a. The project goals were clearly explained

None                      A little                      A moderate amount                      A great deal

                                                                

4b. Stakeholders on the team were given the chance to share their views

None                      A little                      A moderate amount                      A great deal

4c. Different viewpoints were accepted.

None	A little	A moderate amount	A great deal
<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

4d. The researchers responded to input.

None	A little	A moderate amount	A great deal
<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

4e. VEC members responded to questions from researchers

None	A little	A moderate amount	A great deal
<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

4f. The researchers clearly explained how input from VEC members would be used.

None	A little	A moderate amount	A great deal
<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

4g. The researchers and VEC members truly worked together.

None	A little	A moderate amount	A great deal
<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

4h. The research project is designed to address the needs of veterans

None	A little	A moderate amount	A great deal
<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

4i. I understood my role in the research process.

None	A little	A moderate amount	A great deal
<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

4j. I am satisfied with the decision making process.

None	A little	A moderate amount	A great deal
<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

4k. I received training and support to engage with researchers in the project.

None	A little	A moderate amount	A great deal
<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

5. Please share anything about engaging with researchers on this project that could be improved.

6. We would like to learn from your experience, please share anything you learned about how to engage with researchers on research projects.

7. Are there other effects your work on this project had on you? This might include your relationships with the researchers or your work outside of this project. If so, please share.

Misc. notes/comments
