Being on the Veteran Research Engagement Board requires participation in all monthly meetings as well as engagement with researchers in between meetings. Compensation for commitment to the Board for 1 year will be given bi-annually. How many hours per month would you be willing to give? Is there anything in your life that might make it difficult to make a commitment?

Thank you for your time and interest in the Veteran Engagement Board. As mentioned on the phone, we are looking for people who are interested in working together with researchers to support our research missions. Please feel free to share only that which you are comfortable sharing.

1. In brief, please tell us a little about yourself, including your military experience.

2. What has been your experience with the VA? Briefly outline the services you received at the VA.

3. Have you served on a committee at work or in the community? Please share some of your experiences there.

4. Have you ever been in a group situation when someone had a different opinion than you? What was the result? Was there anything you did that was helpful?

5. Have you ever participated in a research study? Please describe that experience.
6. Talk about 1 or 2 things that you think can be improved at the VA through research.

7. What interests you about being on the Veteran Engagement Board?

8. What are your opinions of the COIN and MIRECC’s research missions?

9. Can you make a commitment to meet monthly? Is there anything going on in your life that might make it difficult to make this commitment?

10. Are there barriers such as transportation, food allergies, timing of meetings, language or illness that may need to be accommodated to allow your participation?

11. What questions do you have for us?
